

Sequencing Events from a Story

Name: _____

Date: _____

Instructions:

Read the story carefully. Then number the sentences below from 1 to 5 to show the order of events.

Sam's Day at the Beach

Sam woke up early on Saturday morning. She was excited because her family was going to the beach! First, Sam put on her swimming costume and packed her bucket and spade. Then, Mum drove everyone to the beach. When they arrived, Sam ran straight to the water and splashed in the waves. After swimming, she built a big sandcastle with her brother. Finally, it was time to go home, and Sam felt tired but happy.

Number these events in the correct order (1-5):

- Sam built a sandcastle with her brother.
- Sam woke up early on Saturday morning.
- Mum drove everyone to the beach.
- Sam went home feeling tired but happy.
- Sam splashed in the waves.

Bonus Question:

What did Sam pack to take to the beach?
