The Lost Puppy

One sunny morning, Lily was playing in her garden. She heard a small sound coming from behind the flowers. It was a little brown puppy! The puppy looked sad and lost.

Lily gave the puppy some water and a biscuit. The puppy wagged its tail and licked her hand. Lily's mum called the number on the puppy's collar.

Soon, a happy family came to pick up their puppy. They thanked Lily for being so kind. The puppy gave Lily one last lick before going home.
